

Gotcha – Cold Case

This is the first in a 3 book series which walks the reader through the real life crimes and events of Detective Brad Schlerf. As Brad's career unfolds so does the Cold Cases featured in this book which encompasses the crimes of one criminal family over 20 years. All of the crimes in this book are real, the names of the characters have been changed to protect the private lives of the officers, and to not give any real credit to the criminals involved.

Cold Case walks the reader through the trauma of the death, and the anguish of the case going cold. Leads for the case can be found in the most unexpected places, and sometimes come from nowhere.

Rest assure we will solve these crimes, and we are taking you, the reader with us as the case unfolds.
